50X1-HUM

7 June

Variably cloudy with intermittent showers except in the Primorje, where it will be mostly clear. Light to moderate northerly winds, except for continuing southerly winds in the southeastern section. No change in temperature.

9 June

Slightly to moderately cloudy, except for increasing cloudiness and rain in northwestern sections. Moderate southerly winds. Temperature rising.

10 June

Continuing very variable weather with intermittent showers and thunder. Moderate winds, mostly westerly and northerly. Temperature will fall slightly.

11 June

Variable weather. Possible local showers in northern sections. Light to moderate winds variable in direction. Temperatures will rise.

12 June

Slightly cloudy. Increasing cloudiness with local showers in the afternoon. Light winds variable in direction. Temperature rising.

13 June

Mostly clear and warm. Light winds.

14 June

Moderately cloudy. Light winds. No change in temperature.

16 June

Weather growing worse. Showers and thunderstorms in the northwest, spreading to the east in the afternoon. Mostly clear weather will continue in Montenegro and Macedonia. Variably strong winds in the northern section veering to the northwest. Temporary coolness is expected only in the northwestern sections.

17 June

Mostly clear, changing to moderately cloudy during the day with possible local showers. Light winds. Temperature will continue high.

19 June

Continuing mostly clear. Slight cloudiness expected in Slovenia. Light southerly winds, except for moderate winds in the northern and northwestern sections. Temperature will rise.

24 June

Moderately stronger southerly winds expected and considerable rise in temperature.

25 June

Slightly to moderately cloudy. Increasing cloudiness with light local showers in the northwestern sections. Southeasterly winds. No change in temperature, except in the northwest where it will rise somewhat.

50X1-HUM

27 June

Cloudy with rain spreading from the northwest to other sections. Continuing cloudiness only in the southeastern sections; clearing in the northwest. Winds will veer to the northwest.

28 June

Clear to slightly cloudy in the morning. Increasing cloudiness during the day with local rain, short in duration. Light northerly winds. Temperature rising.

Zagreb, Borba, 1 - 21 Jul 51

1 July

Slight to moderate cloudiness. Light showers of short duration in the afternoon. Light to moderate winds, mostly easterly. Slight rise in temperature.

2 July

Slightly to moderately cloudy. Light winds, mostly northerly. Temperature rising.

9 July

Clear and warm. Moderate winds.

10 July

Moderate to considerable cloudiness with local showers and thunder.

12 July

Clear in the morning. Slightly cloudy later with moderate southerly winds.

16 July

Considerably cloudy with thundershowers and moderate coolness in the Primorje, Slovenia, Croatia, and Bosnia-Herzegovina. Slightly cloudy with high temperatures and southerly winds in other sections.

18 July

Variable cloudiness. Moderate northeasterly winds. Increasing cloudiness and local thundershowers in the afternoon.

21 July

Variable cloudiness. Mostly clear in the afternoon. Light northerly winds.
